Carey Centre is a ministry of the Canadian Baptists of Western Canada (CBWC), and therefore, our common foundation is our faith in Jesus Christ. We are a community composed mostly of Christians while others hold other faith backgrounds or none at all. Our desire is to help those who are interested in our community grow in their understanding of Christian faith. Please describe:

- Your spiritual journey** thus far, which could include the story surrounding your decision to become a follower of Christ;
- How you have spiritually grown** over the past two years, using examples wherever possible;
- Why you want to be a part of the Carey community**, and how you would contribute to *building up* that community.
